

Lions Gate Camera Club Awards 2010 - 2011

I would like to thank the Competition Chairs for recording the monthly results and David Wingate for keeping track of the monthly statistics and preparing the annual summary.

The purpose of the Awards is to recognize an individual's achievement during the year. This year, I asked for input from the membership. The majority of the responses recommended eliminating the presentation of trophies, plaques and ribbons. A number of responders recommended continuing presenting awards but reducing the number. In an effort to address some of the recommendations and yet continue to recognize member's photographic efforts and participation the following changes have been implemented:

- Individuals placing second and third are acknowledged and at their option may receive a ribbon.
- The 'winner' in each category will receive a certificate acknowledging their achievement.
- The 'winner' of the trophy will receive a certificate and may opt to accept the trophy or leave it with the club.

All trophies/plaques, except one, have been retired these trophies/plaques represent an important part of the history of the Lions Gate Camera Club. The plan is to transcribe the names of the past winners of each award and to post this with an image of the award to our website.

Awards Night – September 22, 2011

Projected Images - *Total score for the year*

Level 1 (Novice)

Third -	Bill Rogers (42)
Second -	Treva Ricou (63)
