

Lions Gate Camera Club Awards 2012 - 2013

I would like to thank the Competition Chairs for recording the monthly results and our statistician David Wingate for compiling the monthly statistics and preparing the annual summary.

As in past years,

- Individuals placing second and third are acknowledged and at their option will receive a ribbon.
- The member with the highest aggregate score in each category receives a certificate acknowledging their achievement.
- The member who has earned the highest number of Gold awards (10's) during the year receives a certificate and **Lilie Patenaude Memorial Trophy**. The member may accept the trophy for the coming year or may leave it with the club.
